## Fun and Enriching After-school Classes for Lawrence Students

Lawrence Special Activities (LSA) is a parent-run program, offering after-school classes for students in subjects like Art, Science, Computers, and Sports. For 2011–12, we will be bringing back several favorites, including Chess, Tennis, Old-School Sports and Lego Robotics. We also will be introducing Holiday Crafts and Typing. Please refer to the one-page overview to see what we have planned for Fall 2011!

This year, we will be running three sessions in the Fall, Winter, and Spring for grades K–8. Most of the classes will be one-hour long and will begin at either 2:30 p.m. or 3:30 p.m. on Monday, Tuesday, or Wednesday, but we will have a few classes this Fall that will run 90 minutes. A complete fall course catalog will be available online after September 6th and also sent home with your child the first week of school. Our classes are limited in size and do fill up quickly, so please make certain that you turn your registration into the office by the September 16th deadline to be included in the lottery.

Parents will be responsible for making certain their children arrive at the class and are picked up after the class has ended. Children in LEDP must report to that program before going to an LSA class and LEDP will give parents a consent form authorizing them to release children to LSA classes.

Fee schedules range from \$100-\$125 per class, and scholarships are available for families who qualify for the free or reduced lunch program. All proceeds help fund student enrichment activities including Intramurals and the Visual and Performing Arts programs at the Lawrence School.

For more information on the LSA program please contact: Joanne Liautaud at [joanneliautaud@hotmail.com](mailto:joanneliautaud@hotmail.com).
